

# CAN YOU TELL ME A STORY?

By Sariah

Can you tell me a story of your joys and sorrows?  
Can you tell me a story of your todays and tomorrows?  
Can you tell me a story of your sickness and health?  
Can you tell me a story of your poverty and wealth?  
Can you tell me a story of your family and friends?  
Can you tell me a story of your beginning and end?
